Chinese Medicine Store | East Auckland

Established Chinese Medicine Retail | East Auckland Location | Loyal Client Base

A well-established Chinese medicine retail business is now available in a busy East Auckland commercial precinct with strong local foot traffic and convenient parking.

Operating for over a decade, the business specialises in traditional Chinese herbal products, including dried herbs and packaged remedies. It has built a loyal repeat customer base within the local community and benefits from an established supply chain with direct sourcing options.

Key Highlights:

- * Monthly revenue approx. \$7,000-\$8,000
- * Gross margin around 40%
- * Affordable rent approx. \$3,358 + outgoings per month
- * Compact premises (~60-70 sqm), easy to manage
- * Experienced staff in place
- * Option to continue current concept or rebrand

The business is currently fully staff-managed, as the owner operates multiple locations and is not involved in the day-to-day running of this site. A hands-on owner-particularly someone familiar with Chinese medicine or the industry-can unlock further potential.

Ideal for:

- * Practitioners of traditional Chinese medicine
- * Health & wellness operators
- * Owner-operators seeking a niche retail opportunity
