North Shore | \$20K Weekly | Major Franchise

Here is an opportunity that deserves a serious look.

An established store operating under a major burger franchise brand, positioned in a strong upper North Shore location and offering genuine upside for an energetic new owner.

The foundations are already here:

- * Approx. \$20,000 average weekly sales
- * Approx. \$110,000 annual surplus to a working owner
- * Strong Upper North Shore location
- * Phenomenal, highly recognised NZ franchise brand
- * Established customer base
- * Proven franchise systems and national marketing
- * Real opportunity for growth

This is where the opportunity gets interesting.

The business is established and trading consistently, but there is clearly more available. For a hands-on owner prepared to bring fresh energy, strong local marketing and operational focus, there is genuine scope to grow sales and significantly improve the bottom line.

You are not starting from scratch. The brand, systems, customers and infrastructure are already in place.

For someone wanting to enter a major New Zealand hospitality franchise and take an established store to its next level, this could be a very smart acquisition.

Proven brand. Established sales. Genuine upside.

Full brand and location details are available following completion of a Confidentiality Agreement.
