

Award-Winning Premium NZ Artisan Sauce Business for Sale Relocatable

Turn-key established business | Proven brand | Immediate income | High growth Potential | Fully relocatable / Work from home.

A rare opportunity to acquire a premium NZ artisan food brand founded 8 years ago by a Superyacht Chef with 20 years of international experience.

This business has built a strong reputation for high-quality, natural, industry-awarded sauces and hot sauces, a loyal customer base, and an excellent brand identity.

Currently operated part-time, generating approximately \$65,000 annual revenue.

The business has been deliberately kept at a manageable scale due to the owner's private chef commitments, leaving clear and immediate growth opportunities for a motivated owner.

JIMMYS operates within the growing premium artisan food sector, driven by:

1. Consumer demand for authentic, small-batch, NZ-made products
2. Increased consumer demand for healthier options
3. Increased interest in chef-quality cooking at home
4. Growth in online food purchasing

Significant Growth Opportunities:

- Immediate scalable opportunities within the existing SHOPIFY e-commerce store jimmysfoods.com
- Expanding wholesale market pipelines to butchers, specialty food retailers, and owner-operated supermarkets.
- Expanding into multiple farmers' markets, food events, and corporate gifting markets.
- Expanding online nationwide distribution by listing through existing online retailers with drop shipping arrangements, i.e. UPSTOCK, THE HIVE, FARM FRESH DIRECT, REAL FOOD DIRECT, and the OPEN FOOD NETWORK NZ.
