Turnkey opportunity to acquire a premium Ready-to-Drink (RTD) beverage brand with established early traction in New Zealand.

Premium Ready-to-Drink (RTD) beverage brand launched in September 2025, with 20+ stockists and ~\$15,000 revenue in its first 6 months. The brand stands out through familiar, recognisable flavour profiles in a competitive market. Sale includes full branding, supplier setup, stockist relationships, website, and marketing assets. Strong early traction with clear potential to scale nationwide through distribution, events, and product expansion. Turnkey opportunity with solid foundations already in place.

Business Resources

This is a home based business with stock being managed via a 3PL. Sales are made to traditional liquor stores and events venues. No staff, no lease, no equipment.
