### Healthcare: Leading Regional Ultrasound Clinic

Accredited specialist imaging business with broad clinical capability, strong earnings, and clear growth upside.

Expressions of Interest over \$1,100,000.

An exceptional opportunity to acquire a proven private diagnostic imaging clinic with a deep referral base, purpose-built infrastructure, and an established position in a high-demand regional healthcare market. Established in 2012, the business has built a strong reputation for clinical quality, prompt access, and professional service.

The business provides a broad range of general, obstetric, gynaecological, musculoskeletal, breast, and vascular ultrasound services, alongside specialist procedures including biopsies and steroid injections.

#### Key Highlights

- More than a decade of trading history and over 100,000 examinations completed
- Four fully equipped scan rooms plus dedicated procedure theatre
- Full clinical and support team in place
- Holds current IANZ accreditation
- Strong referral networks across GPs, specialists, midwives, physiotherapists, ACC, Southern Cross and NIB
- Integrated RIS, PACS, and cloud-based systems
- Revenue of \$2.1m and normalised EBPITDA of about \$350k in FY2026

With established systems, experienced staff, quality equipment, and meaningful barriers to entry, this is a compelling acquisition for an owner-operator, strategic buyer, or healthcare investor.
