Business Resources

Diversified Income: Strong trading income supported by a healthy mixture of services such as ride on / push mowing, garden maintenance & pruning, hedge trimming, weed spraying, lawncare treatments, greenwaste and rubbish removal.

Managed Expenses: Clean accounts with high turnover and low overheads.

Turnkey Opportunity: All systems for accounting, subscriptions, and repairs are already in place including a handover / transition plan and an opportunity for immediate income.

Scalable Operations: Although started as a solo owner/operator model, significant and rapid growth led to investment into contractors and is now setup to run as a team. The business is fully systematized, utilizing a contractor-led model to ensure scalability. It maintains high-quality standards with significant investment in vehicle and gear upkeep.
