Business Resources

Welcome to Wanamow, a thriving established garden maintenance business with a proven track record of explosive year-on-year growth. This business has scaled rapidly and is now primed for a new owner to step in and reap the rewards of a loyal client base and robust operating systems. Financial Highlights: The numbers speak for themselves. Wanamow has demonstrated consistent, aggressive upward momentum over the last three financial years: 2026 Revenue: \$174,384 (Up from \$109,990 in 2025 and \$41,768 in 2024). 2026 Net Profit: \$72,477. 2026 Gross Profit Margin: Over 66%

Diversified Income: Strong trading income supported by a healthy mixture of services such as ride on / push mowing, garden maintenance & pruning, hedge trimming, weed spraying, lawncare treatments, greenwaste and rubbish removal.

Managed Expenses: Clean accounts with high turnover and low overheads.

Turnkey Opportunity: All systems for accounting, subscriptions, and repairs are already in place including a handover / transition plan and an opportunity for immediate income.

Scalable Operations: Although started as a solo owner/operator model, significant and rapid growth led to investment into contractors and is now setup to run as a team. The business is fully systematized, utilizing a contractor-led model to ensure scalability. It maintains high-quality standards with significant investment in vehicle and gear upkeep.
