Hawkes Bay Pet Retail That Earns! \$190,000 Working Owner Profits

This established pet retail business in the Hawke's Bay region, has been trading for around 10 years with a loyal, repeat customer base and consistent day-to-day trade.

Currently generating approximately \$190,000 profit per annum to a working owner, with revenue in the mid to high \$800,000 range.

Here's the kicker, this has been achieved without full trading. The business does not trade Sundays, closes on public holidays, and has had extended periods of reduced opening.

That makes this opportunity less about fixing anything, and more about deciding how far you want to take it.

Run it as is and enjoy the income or increase trading and see what it can really do.
