Own the Auckland & Waikato Territories in a High-Growth Trade Services Business

Step into a fully operational, turnkey business covering the consolidated Auckland and Waikato territories. This is a rare chance to take ownership of an established platform with the right to run, develop, and grow the business as your own, backed by proven systems and ongoing franchisor support.

This business operates at the heart of New Zealand's building and construction sector, providing a complete managed apprenticeship solution - from recruitment and employment through to placement and ongoing support. With strong demand and an existing base of apprentices and host business relationships, you are stepping into immediate trading with real momentum.

The current owners transition into a support role, offering guidance, governance, and industry expertise, while giving you full autonomy to shape and scale the business in line with your vision.

Key Highlights:

- Established Auckland & Waikato territory with existing operations
- Cash Surplus for FY26 - ~\$450K
- Proven, profitable model with recurring revenue streams
- Approximately 95 apprentices supported nationally
- Strong industry partnerships and government-backed support
- Experienced team, systems, and infrastructure already in place
- Scalable platform with significant room for growth
