

Wellness Centre - Asset and Lease takeover Business for Sale Lower Hutt

Wellness & Recovery assets and lease take over

Asset sale and lease take over until October 2027. Move your gym in, or add a gym in the spare space.

2 traditional saunas accommodating up to 4 people each 1 infrared sauna accommodating 2 people comfortably in a private room 3 ice baths 4 compression boots, plus hip and arm compression attachments 2 imported lymphatic rollers, with Recovery Hub among the first in New Zealand to offer this service 1 contractor rooms, A large open area well suited to physiotherapy, rehabilitation, or other allied health services

The fit-out also includes showers, toilets, rinse shower facilities, and 3-phase power, providing a strong operational base and flexibility for future expansion.

A further advantage is the existing reduced rent through a sublease arrangement, along with extra space that creates opportunity for service growth or additional income.

The sale can include trading name, client data, social media accounts, and website, giving a new owner a head start in their new business.

Operating expenses can be provided however this is an asset and lease take over. Financials are not provided.

Selling as we are moving overseas. Bring us your offer :)

Please do not waste our time. If you cant afford to buy it, or take on a risk don't inquire.

*Vendor finance is not available.
