### Greenfield Finance Advisory Opportunity

Looking to step into business ownership with the backing of an established platform and the freedom to grow something of your own? This greenfield opportunity offers exactly that.

Operating within the financial advisory sector, this business delivers structured funding solutions across business, property, and asset finance. While newly established in your territory, it is supported by a national framework including systems, lender relationships, compliance, and marketing support, giving you a strong foundation from day one.

The market continues to shift toward advice-led lending, with growing demand from business owners, investors, and professionals seeking tailored funding solutions. With increasing complexity in lending and rising use of advisers, this sector presents strong long-term growth potential.

#### Key Highlights:

- \* Nationwide greenfields opportunity
- \* Access to 30+ bank and non-bank lenders
- \* Established brand with proven systems and infrastructure
- \* Lender-paid commission model with no direct client cost
- \* Ongoing head office support across operations and marketing
- \* Scalable opportunity with potential to build a team
- \* Operates in a regulated sector with strong barriers to entry
- \* Broad service offering across multiple lending segments.

This opportunity suits an ambitious owner operator or experienced professional ready to build and grow a business. Whether hands-on in client relationships and deal structuring or focused on scaling through team development, the model offers flexibility and support to match your goals.

With strong industry tailwinds and the ability to shape your own success, this is a compelling opportunity to establish a valuable, scalable business in a high demand sector.
