Wooden boat building/repair and restoration business with an outstanding reputation in the classic and vintage wooden boat restoration business.

Operating since 2011, the business is well established in a very niche market. Located in the Bay of Plenty servicing the Rotorua lakes and surrounding areas.

This workshop is known for high-quality craftsmanship and specialist skills in:

- Full restorations of vintage & classic wooden boats
- Traditional timber hull repairs and Maintenance
- Engine & equipment installation
- Custom painting & varnishing
- General boat repairs & maintenance

Client base includes collectors, enthusiasts, tourism operators, local Boat dealers and a trusted reputation with insurers.

There is ample room to expand the business including adding other facets of the industry to it such as marine engineering, engine servicing and parts supply

A great opportunity for someone with marine, mechanical, or woodworking experience or a workshop looking to expand into classic boat restoration.

Could suit someone wanting to relocated for a better lifestyle, can be run by a sole trader or a partnership.

A full information memorandum is available on request after signing a NDA.
