

Mobility Equipment Retailer Business for Sale West Coast

Thriving mobility equipment / servicing business in Greymouth offering retail, hire and repair services since 2018

Y Mobility Products is a well-established healthcare Business.

As the Enable/ACC servicing subcontractors for the whole of the West coast from Karamea to Haast and inland to Reefton, their workshop is always busy.

Y Mobility ensures that home healthcare services and products, are easily accessible through their Greymouth retail store, which is stocked with a wide range of daily living aids, wheelchair, walker, Lifter beds/ chairs, mobility Scooters and more.

The servicing workshop, and Hire/Rental Dept are all important parts of this business.

Under the dedicated ownership of Jon and Carol Elley , the business has garnered a strong reputation, working closely with the local medical professionals, hospital, community groups and the public.

With a well-established customer base, all systems in place, excellent reputation, plenty of growth & expansion potential and an aging population this is the perfect business for the right person.

Y Mobility offers an ideal business opportunity for anyone looking to continue a successful venture in health and disability/ Mobility Sector

Opportunities like this don't come up often so...
