This well know and recognised landscaping and garden maintenance business has been servicing Hawkes Bay for over 20 years. The business has a broad spread of clients across residential, commercial, and institutional clients, reducing reliance on any single segment.

The business employs 4 multi-skilled, experienced Landscape Gardeners along with a Garden Designer. The owners have developed practical systems and processes, and a customer-focused work culture, which has resulted in consistent sales revenue and growth in customer numbers.

There is considerable scope to grow this business should the new owner wish to explore opportunities in the garden maintenance and landscaping sectors.

If you enjoy the outdoors and working with a great team of people, then this is the business for you.
