

Infrastructure Services Business for Sale NZ

Infrastructure Services Business | \$383k+ EBITDA | Recurring Revenue

This is a rare opportunity to acquire a well-established infrastructure services business operating within a resilient, high-demand sector.

With strong recurring revenue, proven systems, and an experienced team in place, the business offers a scalable platform suited to both owner-operators and strategic buyers.

Key Highlights:

- \$383k+ Normalised EBITDA FY2026
- FY2026 Revenue exceeding \$2.5M
- Recurring servicing revenue base approaching \$440k annually
- High barriers to entry supported by licensing, compliance requirements, and specialist technical capability
- Diversified revenue streams across project work, contracted servicing, maintenance, and reactive works
- Experienced team and established operational systems supporting ownership transition
- Large established customer base with substantial recurring service relationships
- Exposure to long-term infrastructure and compliance-driven demand trends
- Clear growth pathways through geographic expansion and additional service capability
- Strong reputation within the broader construction and infrastructure market

The business has demonstrated strong financial performance, with EBITDA increasing from approximately \$210k in FY2023 to \$383k+ in FY2026, reflecting both operational improvements and increasing market demand.

This opportunity will appeal to operators, project managers, infrastructure groups, or investors seeking exposure to a defensive service-based business with embedded recurring income.
