

Lawn and Garden Business Franchise for Sale Tauranga

Established Green Acres Lawn & Garden Franchise | Tauranga | Hassle-Free MTF Funding Available

Why risk the uncertainties of a standalone startup when you can leverage New Zealand's most trusted home services brand? On offer is a highly successful, established Green Acres Lawn & Garden business in the thriving Tauranga region, currently owned by Christopher Worsnop.

This is a turn-key business asset that perfectly mitigates risk by combining 30 years of brand reputation with immediate, verified cash flow.

Why Choose this Green Acres Foundation Business Over Going It Alone?

1. Turnkey Revenue: You won't have to spend time or money hunting for work. You inherit a rock-solid base of regular weekly customers from day one, with the infrastructure to quickly scale to \$2,300 per week.
2. Fully Digital System: Gain instant access to a complete cloud-based operating system. Manage your quotes, customer communication, and invoicing digitally from a tablet or phone.
3. Premium Asset Package: The sale price includes a comprehensive, high-quality equipment pack valued at \$15,600, fully upgraded with modern STIHL battery-powered gear to meet growing consumer demand for eco-friendly, quiet garden care.

What's included:

1. Comprehensive operational and business training as well as practical guidance from an experienced franchisee..
2. Ongoing support to help you maximise profitability.
3. Full Health & Safety systems and comprehensive insurance package to protect you and your customers.
4. Business Equipment Pack to get you started with ease.
