Auckland Gate Automation & Access Solutions Business

Well-established Auckland-based gate automation and access solutions business specialising in custom gate supply & installation, automation, access control systems, intercom integration, servicing and repair across residential and commercial sectors.

The business has built a strong reputation for technical expertise, quality workmanship and reliable project delivery, supported by repeat customers, referral networks and long-standing industry relationships.

The business benefits from established supplier relationships, direct import channels for premium automation products, and strong referral relationships with fencing companies and commercial operators.

The company operates with a practical and scalable operating model combining installation capability, technical automation expertise and contractor-supported fabrication, allowing efficient project delivery across a broad range of residential and commercial applications.

Key Highlights:

- FY26 revenue of approx. \$942K
- FY26 adjusted EBPITDA of approx. \$287K
- Established Auckland market presence & industry reputation
- Specialist automation & access control expertise
- Diversified residential, commercial & servicing revenue streams
- Strong supplier & referral relationships
- Vehicles, equipment & operational assets included
- Growth potential through additional crews & expanded commercial servicing work

This opportunity may suit fencing companies, security and access control operators, electrical contractors, engineering businesses or owner operators seeking an established platform within a specialised trade sector.
