13 Years Strong | Loyal Following, Real Returns

Thirteen years of loyal customers, a proven Richmond location, and a team that knows what it's doing. This is a genuine hospitality business with real foundations.

Serving lunch and dinner seven days a week, this fully licensed Asian restaurant has built a strong following among locals, families, and visitors to the Nelson region. The menu blends Thai and Chinese cuisine, balancing traditional flavours with modern influences that keep customers coming back. Dine-in, takeaway, and online ordering keep revenue flowing across multiple channels, and with seating for 65 guests, there is real capacity to perform on a busy service.

The restaurant occupies a prominent spot on a busy street in the Richmond CBD, supported by a lease running through to 2029. An experienced kitchen and management team handle the day-to-day with well-established systems already in place, allowing the current owner to operate at a high level rather than being tied to the floor. The structure is clean, the team is capable, and the transition pathway is straightforward for the right buyer.

- * 13-plus years of consistent trading history
- * Prime Richmond CBD location with strong foot traffic
- * Fully licensed and BYO, seats 65
- * Experienced team and operational systems in place
- * Multi-channel revenue: dine-in, takeaway, online ordering
- * Open seven days, lunch and dinner
- * Priced below assessed market value.

This is the type of hospitality business that rarely becomes available in a regional market like Nelson. Consistent trading history, a broad and loyal customer base, multi-channel revenue, and a below-market asking price make for a compelling commercial case.
