Seize the chance to own a profitable, long-established testing service with a loyal client base in Auckland.

This is an exceptional opportunity to take the reins of a highly profitable and well established testing service business in the greater Auckland area. With 23 years of trusted service, the business specialises in testing and inspecting chain slings, soft strops, chain blocks, lever hoists, safety harnesses, and lanyards.

This turnkey operation boasts a loyal client base and is primed for its next owner. The business is ideal for someone who is highly organised, physically fit, and preferably based in East Auckland to facilitate training and daily interactions with the current owner.

Key details include a strong industry reputation, repeat clientele, and all necessary assets such as the business name, van, equipment, and tools.

The owner is committed to ensuring a smooth transition, offering training and handover support. This is a perfect fit for anyone interested in a respected, stable testing and inspection business with excellent growth potential. Enquire today to learn more about this rare opportunity in the thriving Auckland market.
