Established Coromandel taxi service with loyal clientele, strong local reputation, reliable vehicles & excellent growth potential year-round.

Small established passenger transport business based in Coromandel Town, providing local transport & regular shuttle runs to Thames three times per week.

The business includes semi-regular ACC-related client work along with local transport services & the flexibility to use contract drivers when required.

Currently operating as a manageable owner-operated business with straightforward systems & low overheads.

There is scope for a new owner to expand services further if desired, including Peninsula shuttle services, visitor transport or local tour operations.

A good opportunity for someone seeking a flexible lifestyle with an established local presence in the Coromandel.

Business Resources

Two compliant passenger vehicles, covered luggage trailer, established local taxi stand, website & EFTPOS system, contract driver support, regular Thames shuttle runs, established local client relationships & a strong reputation within the Coromandel community.

Existing connections with local council & business networks provide a solid base for continued operation & future growth opportunities.
