Pro Waterblasting Nelson | Tasman Franchise - Exclusive regional territory, proven systems and strong local demand

Step into a brand customers already trust, with a practical playbook, proven systems and a territory that is yours to grow.

This is an exclusive Pro Waterblasting franchise opportunity for the Nelson / Tasman region and wider top of the South Island - a high-potential, under-serviced market with consistent demand across residential, commercial, property management, tourism and light industrial customers.

Franchisees provide residential and commercial exterior cleaning services including house washing, roof treatments, gutter cleaning, deck washing, concrete and driveway cleaning, and commercial building washing.

Nelson / Tasman offers a strong mix of residential housing, coastal properties, commercial premises, tourism operators, lifestyle blocks and growing local development, all creating regular demand for exterior cleaning, building washing, roof treatments, concrete cleaning and waterblasting services.

With key centres such as Nelson, Richmond, Motueka, Mapua and surrounding areas, this territory provides a strong foundation for someone ready to establish a serious local service business in one of New Zealand's most attractive lifestyle regions.

Start solo, build a fleet, develop repeat contracts and grow a long-term, saleable business with the backing of an established national brand.

Business Resources

Franchise package includes brand use, operating systems, instant quote process, marketing support, office and invoicing assistance, comprehensive practical training, industry advice, health and safety guidance, supplier and process know-how, startup support and equipment and vehicle setup guidance.

No industry experience is required, but a practical attitude, sales focus, strong customer service and the drive to build a local business are important.

Finance options are available, subject to approval.

This territory also includes existing operational momentum and customer database information to help the successful franchisee get started.
