Own Your Own Anytime Fitness Whangaparaoa. 24/7 Franchise Opportunity

Own Your Own Anytime Fitness Whangaparaoa | 24/7 Franchise Opportunity

This is your opportunity to step into an established Anytime Fitness club in Whangaparaoa and take control from the moment you step in.

Astute buyers will understand the time, capital, and risk involved in building a gym from the ground up. Here, the groundwork has been done allowing you to focus on performance and growth from day one.

There is clear upside through completing the remaining Anytime Fitness refurbishment. This cost has been quoted and factored into the asking price, giving a new owner the opportunity to add value and put their own stamp on the business.

Adding to the long term appeal is the development of Penlink, set to significantly improve access to the peninsula and support continued residential growth in the area.

Ideal for a hands on owner operator looking to build something within a proven framework and unlock the next phase of growth in an already established business. You are stepping into a system that works, your job is to maximise it.
