

Fragrance Vending Machine Business for Sale NZ Wide

Luxury Perfume Vending Machine | Passive Income Stream

A rare opportunity to take over a unique, first-to-market concept in New Zealand with massive room to scale. This is a fully set-up, turnkey business ready for the right buyer to step in and grow.

Introducing PerfumePod NZ, New Zealand's leading luxury perfume vending solution. Our Smart Fragrance machines are designed to enhance any venue with a hotel-style luxury finish, offering an effortless passive revenue stream. These machines are perfect for gyms and public venues, attracting both men and women of all ages with their illuminated luxury display. At just \$1 for three sprays, users find them accessible and affordable, resulting in strong positive engagement and repeat usage.

PerfumePod NZ currently includes five luxury perfume vending machines, with one machine already installed and operating as a test site, demonstrating the concept in a real-world environment. Based on performance projections, each machine is estimated to generate approximately \$600-\$700 in weekly turnover, providing significant revenue potential as the network expands.

What's included:

- 5 x Perfume Vending Machines
- 2 x Display Boards
- Established Website
- Business Email
- Active Social Media Accounts
- Supplier & Business Contacts
- Business plan/structure and agreements

Multiple opportunities exist to expand into more gyms, malls, nightclubs, airports, and event spaces.

Why selling?

Owner is a full-time working mum of two under 3 and simply doesn't have the time to continue growing the business.

This business has already built brand presence and customer interest - saving you time, money, and trial-and-error. With the right focus, this can be scaled into a nationwide operation.
