

# Model Railway Supplier Business for Sale Greytown

## Established on-line Model Railway Business. Anna Capri Trains and Models focuses on HO and N Scale and has a full range of modelling and railway supplies.

Looking for a business opportunity currently in the Wairarapa region but could be anywhere?

Consider Anna Capri Trains and Models, a home-based model railway supplier located in Greytown. This online retail business specializes in HO and N scale model trains and accessories.

Anna Capri trains and Models has been selling high quality locomotives, rolling stock and models for forty years. For the last five years it has been web based and we have a wide range of stock and a good customer base across New Zealand.

With an annual turnover of \$21,900 and an asking price of \$10,000 plus stock at value, this venture is ideal for hobbyists looking to turn their passion into profit. Whether you're familiar with model railways or just keen to explore a thriving niche market, this business for sale in Greytown could be the perfect fit.

Take the next step in your entrepreneurial journey—contact us today for more details and start your adventure in the world of model railways.

### Business Resources

It is easy to run with one person.

Comes with full customer database and itemised list of stock which contains over 1,500 items including locomotives, rolling stock, spare parts, scenery, models, electrics, track, lighting and signals, loads, containers and some model cars. Most are in HO scale but there are also some N Scale.

Includes professional built Weebly website and domain name. There is an opportunity to purchase stock at wholesale prices from our American Supplier pending their approval.
