

Kennels and Cattery Business for Sale Egmont Village

Well-established, multi-income pet care business set in a highly desirable lifestyle location.

Positioned in the foothills of Mt Taranaki in Egmont Village, Paws and Claws is a well-established, multi-income pet care business set in a highly desirable lifestyle location.

The business has earned a strong reputation for quality, professionalism, and reliable service. Multiple revenue streams across boarding, grooming, and pet cremation provide stability, repeat clientele, and consistent demand year-round.

Set on a spacious, well-maintained property, the facility is purpose-built to accommodate dogs and cats in a secure, practical environment. Dog boarding and daycare include indoor and outdoor covered kennels, along with access to five secure off-lead exercise paddocks. Cat boarding is equally well designed, featuring individual pens, elevated sleeping areas, a sunroom, enrichment wall, and enclosed outdoor access.

An on-site grooming service adds further income while supporting client retention, offering convenience for existing customers and opportunities to grow spend per visit.

The business benefits from a strong digital presence, including a user-friendly website, an engaged Facebook following of over 2,000, and consistent positive Google reviews averaging 4.6 stars.

A key point of difference is "Paws for Thought," an established pet cremation service operating alongside the core business. It provides collection and return across North Taranaki veterinary clinics, caters to a wide range of animals, and delivers a reliable, complementary income stream.

The sale also includes a well-maintained, remodelled four-bedroom home on 2.81ha, enabling an integrated work-live setup.

With established systems, diversified income, and a strong market position, Paws and Claws offers a scalable business with clear potential for further growth.
