

# Premium Profitable E-Commerce Business for Sale Auckland

## Consistent weekly revenue generation, with average sales of approximately NZD 4,000.00 per week Strong profit margins supported by more than 638 orders annually and an average order value of NZD 330.00

Are you on the lookout for a solid business for sale in Auckland? Well, this might just be what you're after. This is a direct owner business sale with no brokers involved, making it a straightforward process.

We're offering one of our profitable premium e-commerce businesses that is entirely relocatable. You can run this home-based operation from anywhere you fancy. The numbers speak for themselves, with consistent weekly revenue generation averaging approximately NZD 4,000.00. That translates to an annual turnover of NZD 210,540.

You're looking at strong profit margins backed by over 638 orders a year, and the average order value is NZD 330.00. With exclusive agency rights across each marketplace served, the potential for growth is substantial.

The business operated with total annual costs of NZD 75,000.00, comprising NZD 45,000.00 in stock and freight and NZD 30,000.00 in management expenses, supporting a strong overall profit outcome.

This delivered a net profit of NZD 135,540.00 over the last 12 months, underscoring the strength of the business model and its attractive earnings profile.

To sweeten the deal, we've got a sophisticated nationwide digital marketing campaign in place, complete with professional video and media assets to boost visibility. The current domain registration and all website assets are included in this sale.

We're asking for NZD 180,000, and we're open to direct vendor finance and shareholding options if that's of interest to you.

If you're ready to dive into a profitable e-commerce venture, don't hesitate. Contact us for more details today.
