

Established Wedding Venue & Lifestyle Property Business for Sale Tauranga

Exceptional Venue & Property | Proven Business

Set across approximately 2.1 hectares of established grounds, Ātaahua combines a proven venue business with an exceptional lifestyle property in one of Tauranga's most desirable locations.

Operating since 2012, the venue has established a strong reputation within the Bay of Plenty wedding market and benefits from forward bookings extending into 2027, established systems and extensive purpose-built infrastructure.

The property includes a 500m² function centre, commercial kitchen, licensed bar facilities, permanent marquee, multiple ceremony locations, mature seasonal gardens and a separate architecturally designed residence.

Supported by existing resource consents, significant infrastructure investment and an established operating platform, Ātaahua offers a rare opportunity to acquire a unique property and business with flexibility for a range of hospitality, event and commercial uses, subject to purchaser requirements and any necessary approvals.
