### Established Health Services Business

Profitable managed business with diversified revenue, experienced staff, and minimal owner involvement.

This long-established business operates within the broader health and wellbeing sector and has built a strong reputation for quality service, professionalism, and reliability. Supported by experienced staff, established systems, and a practice manager overseeing the day-to-day running of the business, the current owner is only involved a few hours per week.

Located in a well-positioned commercial premises, the business benefits from a complementary network of businesses operating alongside it, helping create a collaborative environment and while offsetting a significant portion of the occupancy costs. The business enjoys strong repeat demand and has developed long-standing customer relationships over many years.

#### Business Highlights:

- \* Experienced manager in place
- \* Diverse revenue streams
- \* Strong repeat clientele
- \* Established systems & procedures
- \* Reduced occupancy risk through complementary tenants

There are clear opportunities for a motivated new owner to further expand revenue through increased utilisation, additional service offerings, strategic partnerships and targeted marketing initiatives. The operational platform and infrastructure are already well established, creating a strong base for future growth.

This opportunity may suit an investor, strategic purchaser or owner seeking a business with limited day-to-day owner reliance. The current owner is committed to providing a comprehensive handover to ensure a smooth transition.

Well-established managed businesses with diversified income and growth potential are tightly held. Enquire today!
