Premium Hair Salon | \$150K Profit | 10 Hrs/Wk - (CML 11571)

This elegant, modern salon has been thoughtfully fitted out to a high standard, creating a calm and welcoming environment for both clients and staff, while also supporting smooth day-to-day operations.

The business is operated by a capable and experienced team, with the owner lightly involved by choice, working approximately 10 hours per week on the floor, reflecting her ongoing passion for the salon.

This level of owner involvement highlights a well-structured business with established systems and staff in place, presenting an excellent opportunity for an investor or stylist seeking salon ownership.

With annual sales of \$493,000 and profit circa \$150,000, this business delivers consistent financial performance supported by a strong operational foundation.

The spacious layout also provides clear scope to increase revenue—such as adding additional styling stations, expanding the team, or introducing new services.

This is a rare chance to secure a high-quality North Shore salon that offers a strong return, operational flexibility, and a genuine growth upside.

Price: \$350,000 including stock (approx. \$25,000)
