Profitable and Well-Established Nail & Beauty Spa - FY26 EBITDA \$230k

This well-established nail and beauty spa is located in one of Wellington's most vibrant and high-footfall areas, attracting a strong mix of nearby office workers, government employees, and seasonal cruise ship tourists during the summer months.

Through the vendor's dedicated management, the business has built a strong local reputation and loyal customer base. Services include nail treatments, pedicure, eyelash extensions, and massage, offering a comprehensive one-stop beauty experience.

The premises are modern and well-presented, with no additional capital investment required from an incoming owner.

Financial performance continues to grow, with FY2025 revenue of \$666,656 + GST and FY2026 reaching \$706,025 + GST. On a normalised basis, FY2026 EBITDA is approximately \$230,000, based on a working owner contributing around 20 hours per week.

The vendor advises that if a new owner operates full-time or trains an additional two staff members, annual revenue could increase by approximately a further \$250,000 (including GST).

The team is stable, well-trained, and fully multi-skilled, with each staff member capable of performing all core services, ensuring maximum operational efficiency and flexibility.

This opportunity is particularly suitable for buyers with experience in beauty, nail, or massage services, or those with strong management capability seeking a high-performing, easy-to-operate business.
