

# Spa pool repair Business for Sale Auckland

## Aucklands # 1 sevice, repair and parts company

For over 15 years Spaman ltd has serviced the spa pools of the Auckland and Northland areas and has only gone from strength to strength.

As a mobile company, we currently have two technicians on the road, providing all services required for our customers spa pools.

Spaman ltd also imports equipment from overseas and distributes wholesale/retail.

The customer base is only growing and the company needs to grow. This is where a new owner/operator is required. With multiple avenues of potential expansion, from online sales to potential franchise.

### Business Resources

3 staff, one office/ admin and two technicians on the road.

3 vehicles.

Large customer database

Extensive stock/parts list.

We also have storage/workshop/office space based at owner/operators house. Where our test facilities and stock is based.
