### **Exclusive Organic Beauty Distribution. \$59k Profit on 10 Hours Weekly. 40+ Active Health Shop & Pharmacy Stockists. Turnkey & Fully Relocatable.**

**Established in 2009**, this profitable distribution business holds exclusive NZ rights for a leading European organic makeup brand introduced in 2022. The model is exceptionally lean, currently generating over **\$58,900 net profit** on just **8-10 hours of weekly owner input**.

The business features a stable B2B foundation with **40+ recurring wholesale stockists** (pharmacies and health stores) and an automated e-commerce platform. With **57% net margins** and minimal overhead, it is **fully relocatable** and ideal for a beauty entrepreneur or professional Makeup Artist seeking immediate cash flow.

Growth opportunities exist in department stores and professional training channels. The retiring owner offers a comprehensive handover and formal introductions to the European manufacturer. **Signed NDA required** for prospectus access.

#### **Business Resources**

**Exclusivity:** Contractual NZ distribution rights direct from the European manufacturer.

**B2B Base:** 40+ active health shop and pharmacy wholesale accounts.

**Digital Assets:** Automated e-commerce storefront, digital shade-matching tools, and 88-product asset library.

**Systems:** Streamlined pick-and-pack processes and established nationwide tracked courier accounts.

**Handover:** Full training and operational support from the retiring owner during transition.

**Note:** Fully relocatable/home-based with no commercial lease required.
