Cake Retail Kiosks. 3 Prime AKL Mall Locations!

Rare chance to secure sites under a well-established national cake brand: two fully operational kiosks in West and South Auckland plus a brand-new territory in high-growth East Auckland. All sit in high-foot-traffic shopping centres.

Licensed, not franchised: These businesses operate under a licence agreement with the brand owner, giving you brand support without the franchise structure.

Retail at its simplest: All products, including ready-made cakes, made-to-order items, and customised creations, are supplied directly by the brand. There is no baking, production, or early starts. All sites operate to standard mall trading hours, making them easy to run and freeing up your evenings. The owner simply retails ready goods, ideal for first-time buyers or experienced operators.

The opportunities:

- * West Auckland: established kiosk with proven trading history and reasonable rent and outgoings - \$125,000 + stock (\$2,500 apx.)
- * South Auckland: established kiosk with proven trading history and reasonable rent and outgoings - \$60,000 + stock (\$2,500 apx.)
- * East Auckland: brand-new territory in one of Auckland's fastest-growing family catchments - Price on Application

Both established sites are currently under management, offering significant upside for hands-on owner-operators. There is huge untapped potential across all three territories to introduce new product lines and launch delivery services, adding revenue beyond mall foot traffic. Full training, support, and supply chain are in place.

Available individually or as a package. Three sites under a recognised brand in premium mall positions almost never come to market at once.
