Eating Out Is About Making Memories - (CML 11573)

Situated in the heart of Napier's town centre, this attractive, long-established Restaurant has an excellent reputation for tradition and flavour with authentic, beautifully crafted cuisine.

A spacious floor plan allows for both intimate dining or seating for larger groups. There is a well-equipped commercial kitchen and a large, under-utilised upstairs mezzanine area perfect for private functions or expansion opportunities.

This restaurant is a recipient of many awards and this endorses customer satisfaction. The annual sales are of a consistent level and this reflects the input that the current owners have put in over 28 years.

There are definitely serious advantages here:

- Trade longer hours and more days for higher revenue
- Secure lease to 2036 and plenty of space on offer to serve additional guests
- Superb awards associated with this business; learn from this husband and wife team

This is an excellent opportunity for an experienced operator or a genuinely keen hospitality couple to secure their own business and receive a transition period with the owners before the busy summer season commences.

Price: \$160,000 plus stock
