

Trolley Servicing, Shelving Installation Business for Sale Christchurch

Want to be Self Employed? work your own hours? Good income in return.

We service Supermarket Trolleys, Flat decks, Pallet Jacks, Stock Trolleys Cages and ladders for Supermarkets throughout the South Island. Our customers are New World, Pak N Save, Fresh Choice, Four Square, Mitre 10's etc. A service on all trolleys at each store is done 6th monthly or yearly. We also have a regular customer who we fix trolleys for fortnightly.

We also install new shelving in new supermarkets for a company in Auckland.

Business Resources

We are a Husband and Wife team and have owned this Business for nearly 40 years. For a store such as a Pak N Save both of us would be needed to service everything. Some smaller stores would only need 1 person. All work is done on-site including welding.

When we do a shelving job both of us would be on sight as well as sometimes 1 or 2 others. We are also home based, no need for a workshop.
