

Property Management Franchise for Sale Whangarei

Established Propertyscouts franchise with 300+ managed properties, recurring income and experienced team in place.

Propertyscouts Whangārei is an established residential property management franchise operating across Whangārei and wider Northland. This is not a start-up opportunity. The business has 300+ properties under management, recurring management fee income, proven systems, an experienced team and the support of the wider Propertyscouts franchise network. An incoming owner can step into a business with scale from day one, with opportunities to continue growing the portfolio through leadership, business development and strong local relationships.

Business Resources

The business includes an experienced team, Propertyscouts systems and processes, operating assets, vehicles, office equipment, technology, client servicing rights and franchisor support. Training and onboarding will be provided through Propertyscouts, with handover support available to assist transition.
