

Manufacturing Business for Sale Canterbury

Highly profitable, managed, niche market sector, Canterbury

The opportunity

This business has built up an excellent reputation within its industry sector over the last 40+ years. The range of products, supply arrangements, customer base and staff technical knowledge have all contributed to a very strong market position, and significant profitability.

Business strengths

In operation for over 40 years

Management team in place

Highly profitable – 2026FY EBITDA \$1,333,000

Excellent premises with long favourably termed lease in place

Quality, new machinery – no major CAPEX requirements

500+ customers annually

Not heavily reliant on any one customer; largest in 2026FY made up just 7% of turnover

Business to business customer base

Unique market share – with plenty of scope for further growth

Turnover has grown in each of the last six financial years – this year on track for further increase

Consistent gross profit margin percentages

Size, machinery, product range and staff technical knowledge all create barriers to entry for new competitors

Run from a single location

Monday to Friday operation

Only around 15 staff to manage

Business Resources

The buyer

This business will suit an individual or group with good people and financial management skills. No existing technical skills/knowledge are required. An extended handover is available by negotiation if required.
