

EMS training equipment for Sale Nelson Bays

XBody Electro Muscular Stimulation (EMS) equipment for sale

Start your own business or add to an existing business (ie. gym, wellness studio, physio clinic, or take it mobile!)

This is not a franchise or business sale, so no fees, subscriptions, rent etc as this is an asset only sale (see inventory)

XBody EMS drywear and equipment is state of the art technology that allows for wireless training with no water required. Great for non-weight bearing strength training and muscle rehabilitation. Suitable for a wide range of ages and abilities.

Comes with everything required to set up and start your own EMS business, with the option to purchase mirrored TV stations x2 (shown in photos) and reception desk (not shown)

All gear only 4yrs old and in very good condition.

Equipment is in Kaiteriteri area. Happy to go through set up, training session and familiarisation of equipment.
