# Pizza Hut Franchise for Sale Waikato Region

## Pizza Hut | $21K/W Sales | 59% Asset Value

CHEAPER THAN A BRAND NEW FRANCHISE!

Acquire a near-new Pizza Hut franchise in the Waikato region, backed by one of the world's most recognised quick-service restaurant brands.

This fully managed business offers consistent earnings, proven systems, and the security of an established franchise model. Located within a high-growth suburban precinct, it benefits from strong foot traffic and a loyal repeat customer base. A hands-on owner can also work in the business and retain management wages.

Generating average weekly sales of $20,000-$21,000 (GST inclusive), the business benefits from exceptionally low rent of just $576.92 + GST per week and delivers a healthy EBITDA. Further upside exists through greater owner involvement, local marketing initiatives, and increased delivery sales.

Established in August 2024, the business features a modern fit-out with commercial plant and equipment holding a current book value of $431,781, representing approximately 59% of the asking price.

Operate under a globally recognised brand with comprehensive franchisor support, including training, operational guidance, marketing, and supply chain efficiencies. The business is fully equipped, with no significant capital expenditure anticipated, allowing a smooth transition for a new owner.

Additional growth opportunities include expanding catering, strengthening community engagement, developing local business partnerships, and increasing digital marketing activity.

This is an outstanding opportunity to acquire a modern, turnkey franchise with strong financial performance, significant asset backing, and excellent growth potential.
