Iconic Indian Sweets, Restaurant & Bar, 1st Time On Market, circa \$24,000 Weekly Sales - (CML 11579)

A rare opportunity to acquire a long-established Indian Sweet Shop, together with an adjoining restaurant and licensed bar.

This iconic hospitality business has operated for over 20 years and is now being offered for sale for the first time. The two businesses generate combined average weekly sales of approx. \$24,000, with the owner advising a gross profit margin of approx. 69.7%.

The owner is not involved in the daily operation, and the business is supported by an established team of circa 14 staff.

Both premises are fully fitted and equipped with combined seating for circa 100 customers.

This sale also includes a substantial factory and production area located below the premises, featuring catering equipment, preparation space and a large commercial chiller room.

The owners are seeking a lifestyle change after many years in the industry and will be focusing on other business commitments. This presents an incredible opportunity for a new owner to grab hold of the significant potential to grow catering, functions, wholesale and delivery sales.

This opportunity is highly confidential. Further information will only be provided to genuine purchasers after completion of a confidentiality agreement.
