Established Laser Engraving & Custom Gift Business - Relocatable, Creative, NZ-Wide

Groove Laser Design creates personalised laser-cut and engraved gifts, wedding decor, signage, awards, homeware and custom business branding products. Based in Tauranga and shipping nationwide, the business is well suited to a creative owner-operator, couple, or existing signage/giftware business wanting an online product range with custom design capability. The website includes an established catalogue across weddings, guestbooks, ring boxes, table numbers, signs, gifts and accessories, with made-to-order production and room to grow through digital marketing, wholesale, corporate gifting and event/wedding supplier partnerships. Training and handover can be provided.

Business Resources

Includes established Groove Laser Design brand, website, product catalogue, customer/order systems, supplier knowledge, design files/templates where transferable, social channels, production processes and handover support. Equipment, materials and stock included, valued at \$20000. Currently operated by owner, by appointment, with low overheads and nationwide delivery.
