

Established 15-Year Workshop | \$120K | Paengaroa. Are you ready to own a well-established automotive workshop in Paengaroa, Bay of Plenty? In a strong agricultural and farming area with opportunities galore.

Are you ready to own a well-established automotive workshop in Paengaroa, Bay of Plenty? With an attractive price of \$120K, this owner-operated business has been serving the local community for approximately 15 years, building a loyal customer base through reliable service and quality workmanship.

This turnkey operation is ideal for a qualified mechanic, owner-operator, husband-and-wife team, or an existing automotive business seeking a bolt-on acquisition.

We are in a strong agricultural and farming area and opportunities galore.

The workshop is fully equipped with 3 vehicle hoists, a tyre machine and wheel balancer, a 20T press, 3-phase compressor, MIG welder, diagnostic equipment, Customer courtesy vehicle and more. It operates from leased premises with a long-term lease in place.

The business has genuine growth potential, with opportunities in fleet servicing, tyres, expanded hours, and local marketing. Operating with one full time staff member.

This is a rare chance to step into a reputable business with a solid trading history and established goodwill. Financial details are available to serious buyers upon request, subject to confidentiality.
