

Opportunity to purchase the accredited sales and service centre of a leading international brand.

This is a fantastic opportunity to purchase the accredited sales and service centre operating in Hastings for a leading international brand within the sector. The current owners have built the brand within the local market over the last 5 years. With an extensive product range, wide and diverse customer base which continues to grow the product reputation, and sector appeal plenty of further growth is available. This can include adding aligned product ranges. Suits either an owner operator or as an add on to existing sales and service business.

Business Resources

Excellent support exists from the New Zealand Head Office based in Auckland to grow and develop the business and brand locally. An experienced servicing manager, supports the owners. Easy to use systems, a well branded and located premise adds to the overall business and operation. Plenty of opportunity exists to continue the growth of the business.
