

Cafe for Sale Tryphena, Great Barrier Island

Live and work in New Zealand's island paradise, at the heart of the community, at Pa Beach Cafe.

Pa Beach Cafe is a beautiful cafe and community hub in the heart of Tryphena, the main settlement on Great Barrier Island.

It is a popular spot, with regulars coming in each day, and plenty of visitors year-round. In summer the whole island is bustling with energy, cafe-goers, holiday-makers, gigs and summer beach bliss. In winter tourism slows down but never stops, a time to get more creative with food.

The food we create currently at the cafe include homemade sausage rolls, homemade focaccia pizza breads, cakes, slices and other baking, and we have a full breakfast menu.

I am moving on as I am starting a family, however since owning the cafe I have gained so much experience and love for hospitality and people, as well as having a great life here. This is a great opportunity for anyone keen to own a cafe and become part of the beautiful community on Great Barrier Island.
