Thriving Suburban Restaurant - Profitable & Fully Managed

Revenue \$1.4 Million

This highly successful restaurant has perfected a combination of elements that create a one-of-a-kind dining experience, making it a favorite among locals. Its exceptional online reviews are a testament to its popularity and strong reputation.

With seating for 90 guests, this stylish restaurant features a carefully curated menu, an impressive beverage selection (including cocktails), and a beautifully designed interior, complete with a dedicated function room.

Key Highlights:

- Fully Managed - Run smoothly under management
- Growing Sales - Strong and increasing revenue
- Experienced Team - Fully staffed, with many long-term employees
- Prime Location - High-traffic, central area with continued growth
- Expansion Potential - Opportunities for catering and hosting functions

The current owners successfully operate the business remotely from outside Auckland and is very profitable under management. With the right hands-on operator, there's even more growth potential.

If you're seeking a profitable hospitality business with solid foundations and room to expand, this is an opportunity worth exploring!
