Established Earthworks Contractor - \$500,000 Net Profit

This Auckland-based earthworks business has a track record of profitability and growth, delivering strong financial results.

The business has built a reputation for excellence and reliability across the region, which has resulted in strong demand regardless of the economic conditions.

This business is supported by an experienced team, modern fleet and plant and equipment valued at over \$500k.

With confirmed forward work of 4 to 6 months at any given time, buyers can step in with confidence, knowing future revenue is locked in.

- Profit \$500k+ over last 2 years
- Year-on-year growth
- Solid cashflow
- Forward Pipeline
- Modern, well-maintained fleet

This is a great opportunity to acquire a highly profitable, well-established operation with clear growth potential. This will appeal to either an owner-operator or someone in the trade looking to expand their current business.

Grab this chance to own this business - for more detailed information contact Helane Mead on 027 4160973
