This is a unique opportunity to enter the healthy food business and to be your own boss!

The founders of the business have been operating successfully for the last 3 years, and have built a viable, profitable business with customers that love the food. They are looking to expand and are now offering you the opportunity to get onboard and build your own success story.

This is a low-cost, simple-to-operate business that is now ready to go nationwide.

Customers can enjoy affordable, simple, healthy and tasty Asian cuisine. The menu also provides vegan, vegetarian, non-vegetarian and Halal food options, such as dumplings, noodles and stir-fry. Everything is made in-house to provide quality food at great prices.

There are various ownership options - individual site, multiple sites or an entire region. Ideal for first-time business owners.
