Solar Business - North Waikato, Coromandel & Thames

Solar adoption is surging across NZ

Profit \$176,000

Solar systems are becoming more affordable, “green” finance options improve, and energy costs keep rising, making it easier than ever for homeowners and businesses to make the switch.

Here is an opportunity to secure your own established solar installation business, offering both strong profitability and genuine growth potential. The current owners are retiring.

- Well-known in the region
- Operating since 2015
- Fully operational - systems & processes in place
- Strong Demand -home owners and businesses
- Plus stock \$10,000
- Growth is being fuelled by incentives for “green” financing options
- High-margin business delivering strong returns

Lifestyle + Earnings

Enjoy the best of both worlds with a home-based business that offers excellent flexibility with an SDE of approximately \$176,000, making it perfect for an owner-operator or someone looking to expand and add this to an existing business.

Located in the Coromandel Thames region, it provides the perfect mix of lifestyle balance alongside a profitable business.

Growth Potential

The sector is positioned for long-term growth making now an ideal time to enter the market. With a strong platform already established, there is clear upside for a motivated owner to scale through increased marketing, additional crews, or expansion into commercial and rural installations.
