Gardening Business; large county gardens, Northern Southland established 6 yrs, owner moving

'Solving People's Gardening Problems' Full professional gardening service, maintenance, redesign, landscaping, garden hedges, roses, pruning, plant selection, orchard tree pruning, tunnelhouse care. Currently not advertised and about 20hrs/week invoiced. Lots of potential to expand the business, nobody else doing anything similar in the region.

Weekly, fortnightly, monthly and seasonal clients, large country gardens, a mix of old established to comparatively new gardens, formal to informal aesthetic, picking flower gardens to shrubberies.

A calendar and maintenance list provided for each client

Business Resources

Detailed work calendar and maintenance program provided for each client, also a history of work. Contacts and references for recommended landscape supplies, contractors, arborist etc. Orientation week to meet clients and introduction to their gardens. Professional advice and problem solving on all aspects of the business for the first year.
