

Licensed Franchise | Oamaru Area | Established Client Base. Retiring owner.

Are you a Licensed Building Practitioner in the Oamaru/Waitaki district looking for a fresh opportunity? Consider transitioning into a thriving property inspection business with Red LBP Building Inspections. This established franchise offers in-demand services, including building reports, healthy home reports, meth testing, moisture testing, floor-level surveys, and cosmetic EQC sign-offs.

Benefit from a complete business package with licensed software, marketing materials, advertising, a referral client email list, network connections, and comprehensive onboard training. As part of the largest nationwide building inspection franchise, you'll enjoy an active online presence and efficient systems for administration, invoicing, and marketing.

Red LBP Building Inspections is a reputable name in the industry, respected by real estate agents, banks, mortgage brokers, and lenders. With a streamlined inspection process and a solid repeat referral business, this franchise offers a unique opportunity to join the success of the Oamaru property market from day one. Progress your interest and make this business yours.

Owner retiring.
